

**ANNUAL DECLARATION OF COMPLIANCE WITH CALIFORNIA HEALTH AND SAFETY CODE, CHAPTER 8
June 30, 2024**

In compliance with the California Health and Safety Code, CSL's US affiliates (CSL Behring, CSL Seqirus and CSL Vifor) adopted a Compliance Plan establishing a compliance program that is in line with the United States Department of Health and Human Services Office of Inspector General's "Compliance Program Guidance for Pharmaceutical Manufacturers" and includes policies and procedures consistent with the 2021 Pharmaceutical Research and Manufacturers of America revised "Code on Interactions with Health Care Professionals."

CSL and its US affiliates have also each established an annual dollar limit of \$1,500 for promotional activities or materials provided to an individual California health care professional pursuant to the California Health and Safety Code. This annual dollar limit represents a spending cap. It is not a goal or an average, and CSL and its US affiliates anticipate that amounts provided will be substantially less than this maximum amount.

To the best of its knowledge, CSL and US affiliate companies (CSL Behring, CSL Seqirus and CSL Vifor) are in compliance with its Compliance Plan, its spending limit and Chapter 8 of the California Health and Safety Code.

Copies of this declaration and the Compliance Plan are available at CSL.com or by calling 800-394-1290 ext. 4583.
